

Application No. 10/779,366
Attorney Docket No. GEN-001-97 DIV
(22177-0019)

E) REMARKS

This Preliminary Amendment is being filed after the filing of the Application to present claims directed to a control panel being located on the yoke or the tubehead of a dental x-ray apparatus. Support for these claims can be found on pages 1 and 4-6 of the Application. It is submitted that no new matter is being entered by this amendment to the claims.

In addition, this Preliminary Amendment amends the specification to update the information on related applications and to correct some typographical errors. It is submitted that no new matter is being entered by this amendment to the specification.

If the Examiner believes that prosecution of this Application could be expedited by a telephone conference, the Examiner is encouraged to contact the Applicant.

The Commissioner is hereby authorized to charge any additional fees and credit any overpayments to Deposit Account No. 50-1059.

Respectfully submitted,
MCNEES, WALLACE & NURICK
